

Hierarchy of Creatures

Creature	Nutritive or Vegetative Soul	Sensitive Soul	Rational or Intellectual Soul	Physical Body
Angels	No	No	Yes	No
Man	Yes	Yes	Yes	Yes
Animals	Yes	Yes	No	Yes
Plants	Yes	No	No	Yes

Nutritive or vegetative soul - Beings that have the powers of nutrition, growth, and reproduction.

Sensitive soul - Beings that have use of the senses (i.e. sight, smell, etc.). They also have all the powers of the nutritive soul, but it is still only one soul.

Rational or intellectual soul - Beings that have a rational intellect. They also have all the powers of the sensitive and nutritive soul (except for Angels), but it is still only one soul.
